

Dear Headteacher

Re: "Fancy that" Powys libraries membership promotion, Jan. 20<sup>th</sup> – 30<sup>th</sup> 2011

Please find enclosed a poster for the above promotion in conjunction with Powys Leisure Centres, which is part of an all-Wales libraries festival. Every person joining the library during the festival will receive a voucher for a free session of a racquet sport at their local leisure centre, to be used on a weekend before the end of March. Each voucher entitles at least 2 people to play, and up to 4 people for some of the sports, so is well worth collecting.

I should be very grateful if you could draw the pupils' and parents' attention to the promotion by displaying the poster prominently, and mentioning it in any appropriate school newsletters. Membership forms can be obtained from the library or leisure centre, or downloaded from [www.powys.gov.uk/libraries](http://www.powys.gov.uk/libraries) and can be returned to any library. New members must take along proof of their address.

With grateful thanks for your help with this promotion  
Yours sincerely
