

Libraries Digital Champions Network- Wales

Welcome and introductions!

Recording of our guest speakers <https://youtu.be/F5JJOqDRiJk>

Video Not to be shared outside the group

Jamie Terrill- Speaking about the NHS Wales App *Presentation attached to the email*

If you would like to contact the team at DSPP their email address is
dhcw.dspp_engagement@wales.nhs.uk

If you would like to attend a session which overviews supporting community members to engage with the app, we are hosting a number of sessions, along with Jamie over the coming months. You can register here, or if you would like we can arrange a session for your colleagues or volunteers, You are welcome to get in touch:

<https://www.eventbrite.co.uk/manage/collections/2548939/events>

Greg Stringer- Leeds libraries *Presentation attached to the email*

If you are interesting in understanding more about the databank that Greg mentioned, more information can be found here: [National Databank - Good Things Foundation](#)

Claire Heirene- DHCW Community projects *Presentation attached to the email*

If you would like more information, please contact Claire: Heirene@wales.nhs.uk or Lenisha Lenisha.Wright2@wales.nhs.uk

Theme of the breakout room is health and wellbeing!

We'd like for you to share and discuss:

How have you been inspired today? What health and well-being activities do you, what do you like to do, what digital support for health and well-being would you be interested in?

- Recovery college – If you'd like more information for work DCW has done with Cardiff and the Vale recovery college, reach out
- Community connectors- Dementia support Magic table projector
- Memory box digital – Work with partners for physical and reminisce.

Close: Date for next meeting: 12th December 2023 1-3pm
